

1.) Partial and full day photo services

2.) Unlimited photos on wedding day

We do not place a limit on the number of portraits taken at a wedding!

3.) 48 hour delivery of retouched portraits*

We will deliver your portrait proofs within a 48 hour timeframe (pending amount of workload and verification of funds from the issuing financial institution)

3.) Free retouching services

We will provide free minor retouching of your formal portraits.

5.) Slideshow presentation

Entertain your guests and enjoy seeing a preview of your wedding day (Preparation, Formals, and Ceremony) at your reception!

6.) DVD of slideshow presentation

Preserve and enjoy your slideshow presentation at home!

7.) Transfer of copyright

Save money and time by owning your "negatives" of your wedding day!

8.) On location studio

We set up an on-location studio where your guests can have their portraits taken at the reception and have instant portraits on location! This service is included with coverage of reception.

9.) "Fun candids" camera service

Your guests will be provided on digital camera per table where they can take pictures at the reception (maximum 10 cameras) and we will develop those pictures!

10.) Wedding Album

Have a customized formal wedding album detailing your special day!

11.) Stress free professional service

We will work around your schedule and accommodate your needs so that you do not have to worry about "the other little things". We believe you should enjoy your wedding day, and we will work with you to ensure that all details are taken care of.

12.) Priceless images at an economical cost

Now never comes again! Your images are taken by a Professional who graduated from the NAIT photography program and is recognized by the Alberta Professional Photographers Association and the Professional Photographers of Canada. Weddings are one of the most expensive events in one's lifetime. Therefore, we set our pricing so that it is economical and affordable.

13.) Optional wedding announcement in the Daily Herald Tribune
